

RATES AND INFORMATION

Lakeside Camping is your home-base campground! Majestic pines abound on our 16 acre campground, which wraps around pristine Island Pond with over 1,500 feet of beautiful sandy beaches. Priceless lakeshore views provide an exceptional setting for over 200 campsites both wooded and open for pull-thrus, full hookups and 30/50 amps. Just over a mile east of Island Pond Village, Lakeside offers boating, fishing, swimming, hiking, biking or just relaxing. Wildlife abounds with moose and loon sightings almost inevitable. Seasonals are always welcome. And we are pet friendly, but all pets must remain on a leash at all times, and walked on dog paths outside the campground only.
